Wedding Name Badges

Free Designer Assets for Wedding Filmmakers

Getting Started

Download

These 5 animated name badges come courtesy of RocketStock.com. The company is known for their stellar After Effects templates and overlays.

20 additional name badges can be purchased in the Unity pack. Also, RocketStock offers excellent wedding After Effects templates perfects for disc menus and video intros. View the wedding templates at RocketStock.com

Using the Name Badges

Before using the After Effects template, you must install the following fonts:

Lato: http://www.fontsquirrel.com/fonts/LATO
(install Light, Bold, and Semibold)
Abraham Lincoln: http://www.losttype.com/font/?name=Abraham%20Lincoln
(install Regular)
Wisdom Script: http://www.losttype.com/font/?name=wisdom_script
Lost Type Fonts: You can download Lost Type fonts for free by typing $0 in the amount field.
Tall Dark and Handsome: http://www.dafont.com/tall-dark-and-hands.font

Once installed, open the Unity Lite After Effects project.

RocketStock has included a video tutorial showing you step-by-step directions to rename and adjust the wedding badges for your needs.

Watch the video tutorial to learn how to use the wedding badges.
